Sussex Integrated Community Team Profiles - Health & Wellbeing across the life course

Brighton and Hove Central Integrated Community Team

Whilst some issues affect people of all ages, outcomes have been placed in the life stage where the impact may be greatest.

Data are shown for B&H Central ICT and are compared with England

aged 0-19

living in

poverty

2016

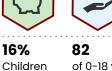

78.2 83 Females Males Life expectancy at birth (years) 2021
