## Sussex Integrated Community Team Profiles - Health & Wellbeing across the life course

## **Crawley Integrated Community Team**

Whilst some issues affect people of all ages, outcomes have been placed in the life stage where the impact may be greatest.

Data are shown for Crawley ICT and are compared with England

64.4%

83.5 79.2 Females Males Life expectancy at birth (years) **2021** 

2.7 7.8 **Females** Males the range in life expectancy at birth between the most and least deprived neighbourhoods 2018-20
